Exhibit Prize Drawings

This form must be returned by February 10, 2027

ICBA encourages you to provide a prize at your booth. If you are planning to give away a prize in your booth during the Expo, please share your prize(s) on this form and we will post information on the ICBA LIVE mobile app. LIVE participants will be encouraged to drop off a business card or you can use a form of your own.

Exhibitors are responsible for contacting all prize winners during or after LIVE. ICBA will provide a board in the Prize Party Zone where you can post your winner. No general prize announcements will be made.

Please choose your winner by noon on Tuesday, March 2, 2027 during the final session of the Expo. It's recommended that you connect with the prize winner by direct message via the ICBA EVENTS mobile app or by calling their cell phone immediately after the drawing so the prize can be claimed before the Expo closes at 3 p.m.

Exhibit booth drawings that require bankers to be present to win are strictly prohibited.

Booth No.

Company

City, State
