ICBA is offering a “helping hand” to benefit Habitat for Humanity Nashville. Convention attendees can volunteer to help Habitat for Humanity build an affordable home for a family in Nashville. Plan to come in early and be a part of this great project.

Habitat for Humanity International is a nonprofit, worldwide housing ministry which seeks to eliminate poverty housing and homelessness from the world, and to make decent shelter a matter of conscience and action. Join in this cause by donating your time and energy to building a home for a deserving family.

Volunteers must be at least 16 years old. No construction skills are necessary and on-site training is provided. Volunteers must wear closed toe shoes, boots are highly recommended, dressing in layers and wearing sunscreen.

Transportation and refreshments will be provided.

If you did not check the box on the convention registration form to sign up and would like to participate, please complete this form and return it to ICBA. Space is limited to 20 participants.
