

# Far From Wall Street . . .

. . . there is a place where dreams still come true.

Your hometown.

It's where community banks work every day to ensure the American dream.

Community banks are strong, secure, stable financial institutions focused on doing what is best for the customers and communities they serve.

It's just the way we do business.

**Your Community Bank. *Safe and Secure.***

**INDEPENDENT COMMUNITY  
BANKERS of AMERICA**

*The Nation's Voice for Community Banks®*
