

# Watch for Falling Communities?

**Wal-Mart wants to enter the banking industry. But is that a good thing?**

**Will "Wal-Mart Bank" provide loans to local businesses that compete with Wal-Mart? What happens when the local flower shop, hardware store and community bank disappear and Wal-Mart Bank is the only bank left in town?**

**Join us in the fight to maintain the separation of banking and commerce and close the Industrial Loan Corporation (ILC) loophole.**

**INDEPENDENT COMMUNITY BANKERS of AMERICA**
