

Organization Profile Guide: ICBA Bancard Plan Manager Update

ICBA’s online resources are accessible by logging onto ICBA’s website www.icba.org. Individuals can manage their own profile, and C-level or middle manager employees can edit the organization’s profile and manage associated employee profiles. This guide was developed to assist ICBA Bancard client banks to edit and maintain their organization’s credit and debit program contacts, known as Bancard Credit Plan Managers or Bancard Debit Plan Managers in our job function menu.

Please use this information to help you add, edit, or remove Bancard Plan Managers as needed, to ensure the correct employees have access to the clients-only area of ICBA Bancard’s website, and are receiving all important notices related to your program. These include but are not limited to timely and actionable contract notices, Bancard client benefit information, and other exclusive marketing and education opportunities.

If you have any questions regarding your ICBA Bancard program or this Plan Manager update, please contact the ICBA Bancard Client Relations team at (800) 242-4770 or Bancard@icba.org.

What is an ICBA Bancard Plan Manager Job Function?

ICBA Bancard Plan Managers are different types of **job functions** within the ICBA.org roster system. They flag the contacts at your bank responsible for your credit and/or debit program with ICBA Bancard. Job functions are separate from job titles.

The **ICBA Bancard Plan Manager Definitions** below will help you select the correct job functions for your employees. Only add a Bancard Plan Manager for the program you have with Bancard. If you only partner with us for credit card issuing, you only need to add/update the **Bancard Credit Plan Manager** job functions in your roster. If you only have a debit program with us, you will only add/update **Bancard Debit Plan Manager** job functions in your roster.

Bancard Plan Manager Job Function Definitions

Use these definitions to help you assign the correct job function to your employee profiles.

Bancard Primary Plan Manager

- Is the main contact at the bank for your credit or debit program
- Receives action-required notices and timely operations updates when applicable (i.e., contract updates, network (Visa/Mastercard) announcements and operation updates, opt-in/out service promotions)
- Has ongoing access to update all employees within the bank's roster via ICBA.org
- Has access to the ICBA Bancard (icba.org/bancard) restricted areas of the site, including the ACE complimentary portfolio analysis tool (*FIS credit banks only*)
- Receives the weekly Payments News & Notes e-newsletter curated by ICBA Bancard
- Receives the quarterly thought leadership publication Bancard Confidential

Please limit Primary Plan Managers to one (1) staff member per product (credit/debit)

Options available in the Job Function menu:

Bancard Primary Credit Plan Manager

Bancard Primary Debit Plan Manager

Bancard "additional" (non-Primary) Plan Manager

- Receives the weekly Payments News & Notes e-newsletter curated by ICBA Bancard
- Receives the quarterly thought leadership publication Bancard Confidential

Please limit "additional" (non-Primary) Plan Managers to no more than five (5) staff members per product (credit/debit)

Options available in the Job Function menu:

- Bancard Credit Plan Manager**

Bancard Fraud Contact

- Receives updates and notices pertaining to the ICBA Bancard Fraud Loss Protection Plan, or “FLPP”.
 - If your bank is not enrolled in FLPP, you do not need to add a Bancard Fraud Contact
 - This contact receives operational and/or marketing notices only. Assigning a Bancard Fraud Contact does not provide access to the fraud claims portal. A separate registration is required for FLPP claims portal access.

Options available in the Job Function menu:

- Bancard Credit Plan Manager**
- Bancard Debit Plan Manager**

Bancard PNN Recipient

- Is not a Bancard Credit or Debit Plan Manager, but elects to receive Bancard’s biweekly newsletter Payments News and Notes (PNN)

Bancard Program Vendor Manager

- Is not a Bancard Credit or Debit Plan Manager, but wants to receive:
 - Program payment notices (i.e., Visa Quarterly Assessment Credit for debit clients; Interchange credits; other payout notifications.)
 - Contractual or operational updates and announcements, such as contract renewals.

Identify Existing Bancard Plan Managers in Your Roster

Review your organization’s current employee roster to identify which, if any, employees are flagged as Bancard Plan Managers. This will help you determine which employees should have this job function removed, and which employees are missing this designator.

To identify which employees in your roster currently have Bancard job functions:

1. Visit www.icba.org and login on the upper right corner using your email and password.
2. Click on **My Account** in the upper right corner.
3. Scroll down to the **Organizations You Manage** box and click **Manage All Rosters**.

- From this screen you can filter and sort the report in several ways to find the employee you want to edit or simply click to each page until you find the individual (listed by last name in alphabetical order). APPENDIX

The information above is curated specifically to help ICBA Bancard client banks manage their Bancard Plan Manager job functions. If you would like to see the ICBA’s full **Organization Profile Guide**, go to www.icba.org/manageprofile. The full guide will provide additional information on how to view and manage your bank’s roster and branches. The information below provides a reference that may be of interest while completing your Bancard Plan Manager update.

Export Your Roster to View All Employees

If you would like to view all employees currently listed in the roster, you can export the full roster into an Excel spreadsheet. The spreadsheet will show employee name, title, email and ICBA ID number. Please note that the **Bancard Plan Manager** job functions are not shown on the exported roster. The Excel document will, however, give you an at-a-glance view of all employees at the bank to help you see who needs to be removed or added.

To export your roster, follow these steps:

1. Visit www.icba.org and login on the upper right corner using your email and password.
2. Click on **My Account** in the upper right corner.
3. Scroll down to the **Organizations You Manage** box and click **Manage All Rosters**.

4. In the upper right, click the **Export Roster** button.

Know the Profile Fields

After updating an employee's Bancard Plan Manager job function, use the following information as a guide for any additional edits that may be required.

When completing fields, please enter data using mixed case (upper and lowercase letters) and standard capitalization rules.

Prefix	First Name	Last Name	Suffix	Nickname
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

1. **Prefix** – Required field.
2. **First Name** – Required field.
3. **Last Name** – Required field.
4. **Suffix** – If applicable, not required.
5. **Nickname** – Required field.

Email	No Email Available	New Password	Confirm Password	Title	ICBA Relationship	Job Functions
<input type="text"/>	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	Employee	<input type="text"/>

6. **Email** – An email address is required for all new accounts as this is their “user name” for accessing www.icba.org. If the employee has an individual email, enter the email address. *Note: Everyone must have a unique email address.* If the employee does not have an individual bank assigned email then, leave the field blank and check the box **No Email Available**. A system generated email address will be issued once the account is created (xxxxxx@commbanku.com). Share this computer-generated email address with the new employee to give them access. *Note: The computer-generated email address is only intended for use as the individual's user name to access our web site.*

ICBA Bancard credit and/or debit clients are encouraged to submit a functional email address for all Bancard Plan Managers. This ensures communications regarding your program reach the contacts who need to receive them.

7. **New Password** – You can choose to create a password for the new employee to get them started, but it is not a requirement. **If the employee does not have a legitimate email address you MUST create a password for them if they need to access the system.** Keep in mind:
 - a. *Passwords are case sensitive – there are no length or character requirements.*
 - b. If you *do* create a password for another employee, the employee will receive an email from info@icba.org stating their password has been changed. ICBA recommends employees change their password to something only they know once they've logged in. Provide the employee with the following instructions:
 - i. Go to www.icba.org.
 - ii. Click on **Member Login** in the upper right corner.
 - iii. Enter your email and the password provided to you and click the **Login**.
 - iv. Click on **My Account** in the upper right corner.
 - v. Click on **Change My Password** found at the bottom of the list in the **My Account Links** box on the right side of the screen.
 - vi. Enter your new password twice and click **Save**.
 - vii. You will receive an email from info@icba.org stating that your password has been changed (if you have a legitimate email address).
8. **Confirm Password** – If you entered a password in the **Password field**, re-enter it in this field.
9. **Title** – The job title is a required field.

Add a New Employee

If you find one of your debit or credit department employees is not listed on the roster, you can add a new employee then add the appropriate job function to their profile. For this Bancard job function update initiative, all Bancard Plan Managers (Primary or otherwise) have temporarily been given C-Level status which allows you to add employees to the roster as follows:

1. Visit www.icba.org and login on the upper right corner using your email and password.
2. Click on **My Account** in the upper right corner.
3. Scroll down to the **Organizations You Manage** box and click the **Manage Roster** button next to **Location** to designate where you want the new employee added. If you do not see an **Organization You Manage** box, contact ICBA at info@icba.org or 1-800-422-7285.

4. Click **+Add Individual** on the right side

	Prefix	First Name	Last Name	Suffix	Nickname	Email	Title	ICBA Relationship	Job Functions	Organization
Edit	Mr.	John	Adams		John	zzja@mybank.com.zz	Branch Manager	C-Level		MyBank.com
Edit	Ms.	Lakelyn	Tennix		Lakelyn	zzl@mybank.com.zz	Teller	Employee		MyBank.com

- Complete each of the fields on the new blank line. You may use the tab button to move from field to field or use your mouse to click into each field. If using your mouse, you must scroll to the right to view the additional fields. (See the **Know the Profile Fields** section for more information). Enter data using mixed case (upper and lowercase letters) and standard capitalization rules.
- When all fields are complete, click the **Save** button on the left side of the screen.
- If no duplicate or similar names are found, the new employee is added and is listed alphabetically by last name. **For employees without a unique email address, you will need to find the new employee and notate the system-generated email address to allow them to login to icba.org and access ICBA programs.**
- If a potential duplicate account is found in the system when attempting to add an employee, the following screen will appear:

Duplicate records found.

If the individual you are adding is **not an exact match** in the list below, [Click here](#) to add the new individual.

If the individual you are adding is in the list below, click **Edit This Individual** next to the name.

Note: Removal from your organization does not remove employees from ICBA's database.)*

Remove an Employee

Important note: Please do not remove employees unless they are no longer with the organization as they may be enrolled in other important ICBA programs. Also, if an employee changes bank locations/branch, do not remove the employee, but edit their profile.

1. Visit www.icba.org and login on the upper right corner using your email and password.
2. Click on **My Account** in the upper right corner.
3. Scroll down to the **Organizations You Manage** box and click **Manage All Rosters**.

4. From this screen you can filter and sort the report in several ways to find the employee you want to remove or simply click through the pages until you find the individual (listed by last name in alphabetical order). You can choose from any of the dropdowns at the top of the screen and click the **Filter** button or you can click on any of the column headers within the **Organization Roster** to sort.

All contact info added to roster will be primary. If any additional contact info needs to be updated, please click the "Manage all contact info" next to the specific individual you want to review.
