TECHNICAL REQUIREMENTS

ICBA understands that IT security is of the utmost importance and that banks may need to restrict users from accessing various websites. As our courses are launched and tracked online, it is important that the following recommendations be reviewed and implemented in order to ensure a positive end user experience.

Network Requirements

For users on company networks, in order to ensure you can access and complete the online training, please configure the following:

- 1) Sites to Whitelist and disable any content caching from:
 - *.icbalearning.org
 - *.icba.org
 - *.vubiz.com
 - ms01.streaming.mediaservices.windows.net
- 2) VPNs should not be used when accessing icbalearning.org. If the bank requires a learner to connect via VPN, ensure that the bank's VPN does not interfere with internet traffic in order for course tracking to complete.
- 3) Most video content contained within our eLearning courses is streamed from and stored in Microsoft Azure Media Services. Please ensure traffic is allowed on the following ports:
 - RTMP (and RTMPT) uses ports 80, 44

Computer and Internet Connection

Item	PC	Mac
Hardware Specification	<ul style="list-style-type: none"> • Screen resolution: 1024 x 768 (or above); Internet connection: 5Mbps (megabits per second) or above for a single user as many of our courses contain streaming video. 	<ul style="list-style-type: none"> • Screen resolution: 1020 x 768 (or above); Internet connection: 5Mbps (megabits per second) or above for a single user as many of our courses contain streaming video.

Many organizations have group policies and other security settings for Browsers that may hamper the ability for the courseware to load. While we may assist in identifying issues, we are unable to customize the courseware to work around internal IT policies.

Mobile testing recommendations

- Many course titles are available for mobile delivery via a browser. If you are planning for learners to access courses via a browser on a mobile device such as a tablet or smartphone, be sure to consider factors such as device screen size, device versions, operating system, mobile browser, etc., which will impact the learner's experience. It is highly recommended that you thoroughly test all courses using these devices to ensure compatibility and optimize the learner experience.
- Disable pop-up blocker

Browser Check Prior to Launching a Course

If an employee is having trouble launching a course, the first thing to check is whether their computer has everything required. Within the online training system is the Technical Assistance tab. Click on this tab.

If you do not see all Green Checkmarks, system changes may be required on that particular computer. To learn how to make changes to the Browser settings, click on the link at the bottom of the screen (icba.onlinelearninghelp.com).

Courses Not Completing

If an employee tells you that they completed a course, passed the test and it is not moving from their Current Enrollments to their Completed Enrollments, ensure the following:

- Ensure they are using a proper browser version
- Have them check their Technical Assistance tab for any Red Xs (see Browser Check section above)
- Ensure this information: When they have passed the course exam and click “Submit Answers and Close Course”, please wait for your screen to refresh before logging out of the system or closing your browser. This “refresh” time captures the fact that the course is complete, logs your score and moves the course from your Current Enrollments to your Completed Courses. Note: After you have completed a course, do NOT click the Exit button or the “X” to close your browser. Be sure to scroll down to the **bottom and click the “Submit Answer and Close Course” button** that appears below their score after they have passed the test.

ASSESSMENT RESULTS

Your score was 80%.
Congratulations! You passed!

Submit Answers and Close Course

- If the course did not move to the Completed Courses tab on the day they completed the course, wait until the next day to see it moved.
- If all the steps above have been taken and the course is still in their Current Enrollments, contact ICBA Education (education@icba.org) with the following information for the employee having the course issue:
 - Name
 - Email Address
 - Course Title
 - Date of Completion
 - Test score

Knowledge Base

There is a series of articles and videos available to help you navigate and use the Online Training Center. Click on the Technical Assistance tab and click on the link at the bottom of the screen (icba.onlinelearninghelp.com). Here you can find:

- An Online Training Best Practice Guide for employees. Please provide this to all employees.
- Short, searchable versions of what is found in this Administrators Guide
- Technical assistance for successful use of the Online Training Center

Additional Notes

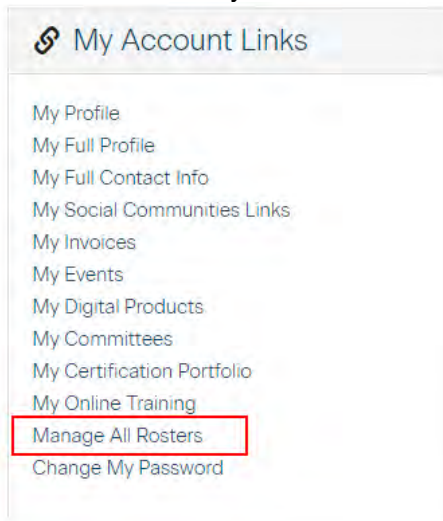

- Throughout this Guide the Online Training System is referred to as "LMS" which stands for Learning Management System.
- Each ICBA member/nonmember bank and all individual employees of each bank (Roster/Employee/Organization Management) are created and maintained in the ICBA core system, not within the LMS. In order to access the LMS, individuals must have a profile (login/password) on the ICBA website. By establishing an ICBA profile, the individual users become part of the ICBA Organization and will receive various informational and marketing e-mails from ICBA. Individuals may elect to unsubscribe from some or all ICBA information or marketing e-mails and may do so by utilizing the "Unsubscribe" mechanism included at the bottom of these types of emails.
- Procedures for the Online Training Center begin on page 19 are done within the LMS.

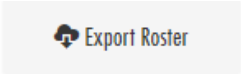

ROSTER/EMPLOYEE/ORGANIZATION MANAGEMENT

Prior to adding, editing, or deleting an individual it is always a best practice to look at your bank's current Roster of Employees to determine if an individual already exists in the system at your bank, what location they are at and other details. To export your roster, follow these steps:

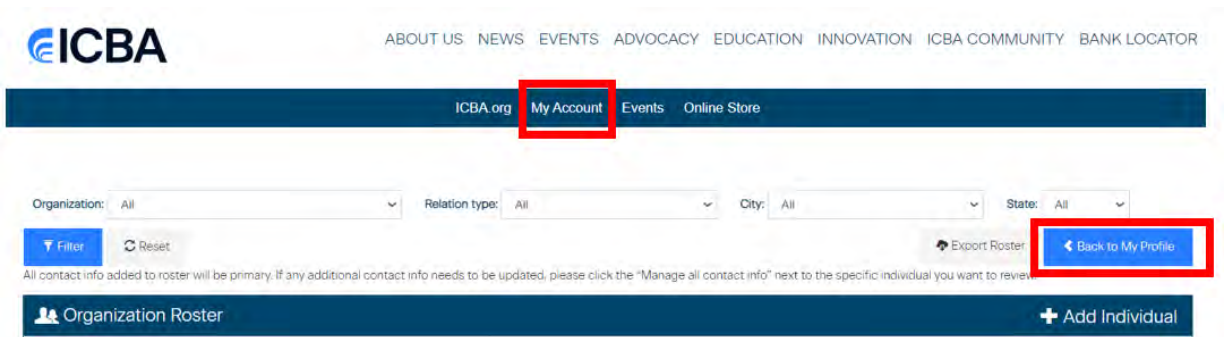

1. Go to www.icba.org.
2. Click on Member Login in the upper right corner.
3. Enter your e-mail and password for your ICBA Account.
4. Click on My Account in the upper right corner.
5. Click the **Manage All Rosters** link found in the **My Account Links** list of items on the right side of this page.

You could also scroll down and click the blue **Manage All Rosters** button found in the **Organizations You Manage** section of the page, this button is towards the right side of the screen and takes you to the same grid of all your employees.

6. In the upper right, click the Export Roster button .
7. Your bank's roster will be exported to an Excel document. Use this document to work from to determine who is missing, needs to be edited, or removed.

If at any time you need to get back to your "Organizations You Manage" or "My Profile" screen, click the My Account link in the blue line under the ICBA website directories, or if on the roster management grid there is a button named "Back to My Profile".

Adding a New Employee

There are two ways in which a new employee can be added to the system. The employee may set up their own account (if they have a legitimate e-mail address) which will connect them to the bank OR the LMS Administrator can add the new employee to the banks Roster.

Employee creating own account:

1. Go to www.icba.org.
2. Click on Member Login in the upper right corner.
3. Click on Create an account in the "Login" box.
4. Enter your e-mail address, a password, and click Continue.

An e-mail will be sent to the e-mail address entered in Step #4 with instructions to complete your account setup. Two things to note regarding the e-mail and continued account setup:

- a. To receive appropriate access rights and ICBA benefits, make sure that you select an organization from the dropdown list of existing organizations.
- b. The link is valid for 24 hours from the time of receipt and can only be clicked on once.

The e-mail will come from info@icba.org. Please check your spam or quarantine to find the e-mail. Also, ask your IT department to whitelist the following in order to receive e-mails:

- IP addresses (205.201.42.27 and 205.201.40.208),
- domain icba.org, and
- main email address info@icba.org

Whitelisting ICBA's email domain does not affect your bank's email security or deactivate your spam filter.

LMS Administrator creating new account:

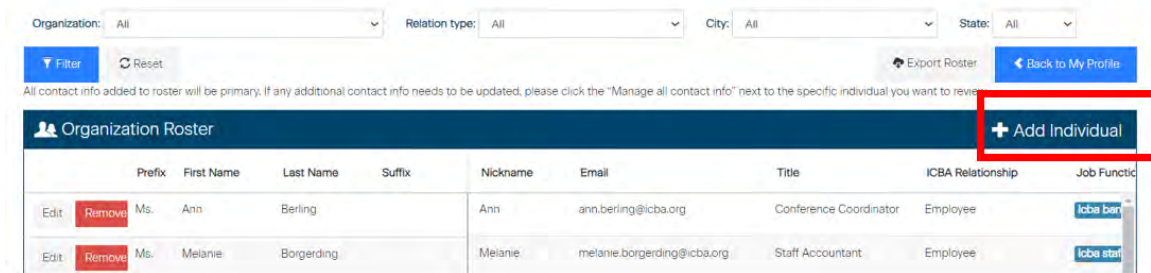

1. Go to www.icba.org.
2. Click on Member Login in the upper right corner.

3. Enter your e-mail and password for your ICBA Account.
4. Click on My Account in the upper right corner.
5. Click the **Manage All Rosters** link found in the **My Account Links** list of items on the right side of this page.
You could also scroll down and click the blue **Manage All Rosters** button found in the **Organizations You Manage** section of the page, this button is towards the right side of the screen and takes you to the same grid of all your employees.

6. Click +Add Individual on the right side

7. Complete each of the fields on the new blank line. You may use the tab button to move from field to field or use your mouse to click into each field. If using your mouse, you must scroll to the right to view the additional fields.

Please enter data using mixed case (both upper and lowercase letters) and standard capitalization rules.

Prefix	First Name	Last Name	Suffix	Nickname
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

- a. Prefix – Required field.
- b. First Name – Required field.

- c. Last Name – Required field.
- d. Suffix – If applicable, not required.
- e. Nickname – Required field.

Email	No Email Available	New Password	Confirm Password	Title	ICBA Relationship	Job Functions
<input type="text"/>	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	Employee *	<input type="text"/>

- f. Email – An e-mail address is required for all new accounts as this is their “username” to access the system. If the employee has a legitimate e-mail, enter their e-mail address. *Note: duplicate e-mail addresses may not be used. Everyone must have their own unique e-mail address.* If the employee does not have a legitimate e-mail, leave the e-mail field blank and check the box “No Email Available”. A fictitious e-mail address will be generated for them once their account is created (xxxxxx@commbanku.com).
- g. New Password – You may choose to create a password for the new employee to get them started. It is not required. However, If the employee does not have a legitimate e-mail address you **MUST** create a password for them as they cannot *reset* their password on their own.
 - i. If you *do not* create a password for the employee, they must follow the Password Reset instructions in the [Password Reset section](#) of this Guide.
 - ii. If you *do* create a password for another employee, the employee will receive an e-mail from info@icba.org stating their password has been changed. We also suggest you have them change their password to something only they know **once they’ve logged in**. Provide the employee with the following instructions:
 - Go to www.icba.org.
 - Click on Member Login in the upper right corner.
 - Enter your e-mail and the password provided to you and click the Login button.
 - Click on My Account in the upper right corner.
 - Click on Change My Password found at the bottom of the list in the “My Account Links” box on the right side of the screen.
 - Enter your new password twice and click the Save button.
 - You will receive an e-mail from info@icba.org stating that your password has been changed (if you have a legitimate e-mail address).

Employees who do not have a legitimate e-mail address, may change their e-mail address this same way. They just cannot reset their password on their own if they have forgotten it.

Passwords are case sensitive – there are no other requirements for length or character type.

- h. Confirm Password – If you entered a password in the Password field, you must re-enter the password in this field.

Email	No Email Available	New Password	Confirm Password	Title	ICBA Relationship	Job Functions
	<input type="checkbox"/>				Employee	

- i. Title – Required field.
- j. ICBA Relationship – Required field. This field determines what the employee can do within the bank's online ICBA account. Choose one of the following from the dropdown:
- i. *Employee* – Can manage their own account and no others.
 - ii. *Middle Manager* – Can manage individuals only at the location they are linked to.
 - iii. *C-Level* – Can manage individuals at any branch or head office location as well as manage organization locations and demographics. LMS Administrators must be C-level.
- k. Job Functions – This field is used to capture an employee's role within the bank. You may choose more than one job function by choosing them individually or holding the Control key on your keyboard while selecting from the dropdown. Note: If you need to add an employee as an LMS Administrator you must contact a ICBA Education Team member.

Organization	Address Type	Address Line 1	City	State	Zip	Phone	Fax
	USPS Address						

- l. Organization – Select the location from the dropdown list that you want this new employee to be connected to. The address information will pre-fill once an Organization is selected.
8. When all fields are complete, click the Save button on the left side of the screen.
9. If no duplicate or similar names are found in the system, the new employee is added and can be found in the roster alphabetically by last name. For those employees that do not have a legitimate e-mail address, you will need to find the new employee and notate the system-generated e-mail address.
10. If a potential duplicate account is found in the system that is similar to the one you are attempting to add, the following will appear on screen above the roster grid:

Duplicate records found.

If the individual you are adding is **not an exact match** in the list below, [Click here](#) to add the new individual.

If the individual you are adding is in the list below, click **Edit This Individual** next to the name.

If you need further assistance, please contact ICBA at 800-422-7285.

Accounts Found:		
Edit This Individual	414517	Johnson, Cindy
Edit This Individual	599064	Jensen, Cindy

- a. If a matching name appears in the “Accounts Found” box, you must determine if this is the same person you are attempting to add.
 - If an Individual of a potential match appears and is the same as your Individual but the person is at a different location, double check with the individual first, then click Edit This Individual and change their Organization (location) and all of the appropriate fields to match their current position at your bank. After editing, click the Save button.
 - If there is an exact match and all information is correct, the new employee you are attempting to add, is already set up. Click the Cancel button next to the new entry you started.
- b. If there is not an exact account match in the “Accounts Found” box or you are uncertain if a potential match is an exact match, click on [Click here](#) to add the individual anyway and they will be added to the system. *Note:* This may happen when an employee leaves the bank, they are deleted, and then return to the bank to work. Even though they were removed from your bank, they are not removed from the ICBA system.

NOTE: New accounts created by the LMS Administrator are pushed to the LMS within 30 minutes of their creation. Once this push occurs, you may log into the LMS and enroll them in courses.

Removing an Employee

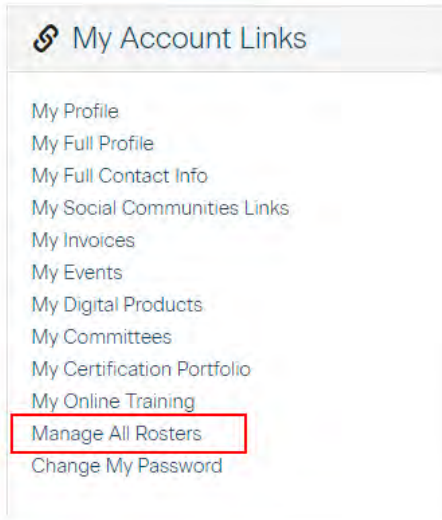

There are **three important things to note prior to removing an employee from your bank’s roster.**

1. Please do not remove employees unless they are no longer with the organization, as they may be enrolled in other important ICBA programs.
2. If an employee changes bank locations/branch, do not remove the employee, but edit their profile. See Editing an Employees Account instructions on the next page.
3. **Before removing an employee from the bank’s roster, you must pull an Activity Report from the LMS because removing an employee from your bank’s roster also removes them *and their history* from the LMS.**

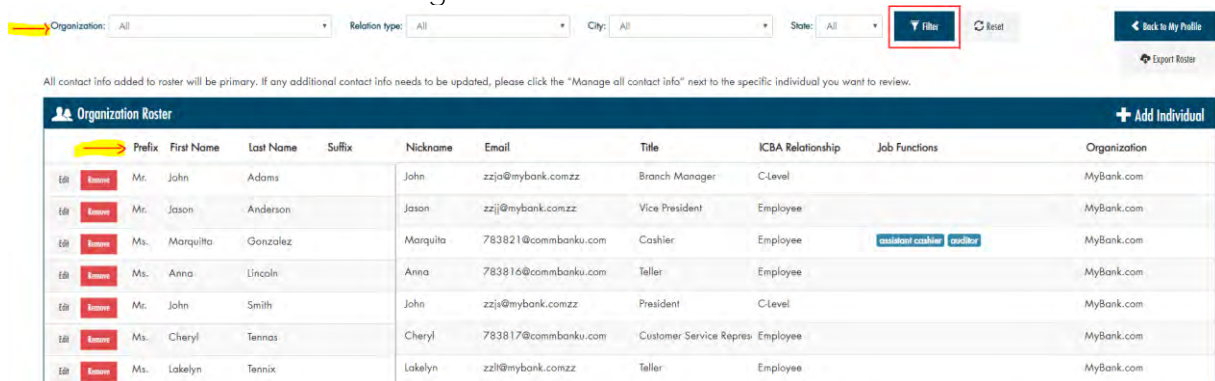

After following the important steps above, proceed with the following procedures to remove an employee:

1. Go to www.icba.org.
2. Click on Member Login in the upper right corner.
3. Enter your e-mail and password for your ICBA Account.
4. Click on My Account in the upper right corner.
5. Click the **Manage All Rosters** link found in the **My Account Links** list of items on the right side of this page.

You could also scroll down and click the blue **Manage All Rosters** button found in the **Organizations You Manage** section of the page, this button is towards the right side of the screen and takes you to the same grid of all your employees.

6. From this screen you can filter and sort the report in several ways to find the employee you want to remove or simply click through each page until you find the individual (listed in last name alphabetical order). You can choose from any of the dropdowns at the top of the screen and click the Filter button or you can click on any of the column headers within the Organization Roster to sort on that column.

The screenshot shows the "Organization Roster" interface. At the top, there are filter dropdowns for Organization, Relation type, City, and State, followed by a "Filter" button (highlighted with a red box) and a "Reset" button. Below the filters is a note: "All contact info added to roster will be primary. If any additional contact info needs to be updated, please click the 'Manage all contact info' next to the specific individual you want to review." The main part of the screen is a table with the following columns: Prefix, First Name, Last Name, Suffix, Nickname, Email, Title, ICBA Relationship, Job Functions, and Organization. The table contains 8 rows of employee data.

	Prefix	First Name	Last Name	Suffix	Nickname	Email	Title	ICBA Relationship	Job Functions	Organization
edit	Mr.	John	Adams		John	zzjo@mybank.com.zz	Branch Manager	C-Level		MyBank.com
edit	Mr.	Jason	Anderson		Jason	zzjj@mybank.com.zz	Vice President	Employee		MyBank.com
edit	Ms.	Marquita	Gonzalez		Marquita	783821@commbanku.com	Cashier	Employee	assistant cashier cashier	MyBank.com
edit	Ms.	Anna	Lincoln		Anna	783816@commbanku.com	Teller	Employee		MyBank.com
edit	Mr.	John	Smith		John	zzjs@mybank.com.zz	President	C-Level		MyBank.com
edit	Ms.	Cheryl	Tennas		Cheryl	783817@commbanku.com	Customer Service Repres	Employee		MyBank.com
edit	Ms.	Lakelyn	Tennix		Lakelyn	zzl@mybank.com.zz	Teller	Employee		MyBank.com

7. When you find the employee, click the Remove button.

8. A confirmation box will appear to ensure you want to remove this employee. Click Yes, remove employee or No.

NOTE: The Removal of an employee does not occur immediately within the LMS. The employee will be removed during the LMS weekly update process that occurs each Friday night.

Editing an Employee's Account

1. Go to www.icba.org.
2. Click on Member Login in the upper right corner.
3. Enter your e-mail and password for your ICBA Account.
4. Click on My Account in the upper right corner.
5. Click the **Manage All Rosters** link found in the **My Account Links** list of items on the right side of this page.

You could also scroll down and click the blue **Manage All Rosters** button found in the **Organizations You Manage** section of the page, this button is towards the right side of the screen and takes you to the same grid of all your employees.

6. From this screen you can filter and sort the report in several ways to find the employee you want to edit or simply click through each page until you find the individual (listed in last name alphabetical order). You can choose from any of the dropdowns at the top of the screen and click the Filter button or you can click on any of the column headers within the Organization Roster to sort.

Organization: All Relation type: All City: All State: All Filter Reset Back to My Profile Export Roster

All contact info added to roster will be primary. If any additional contact info needs to be updated, please click the "Manage all contact info" next to the specific individual you want to review.

Organization Roster											+ Add Individual
	Prefix	First Name	Last Name	Suffix	Nickname	Email	Title	ICBA Relationship	Job Functions	Organization	
edit	Mr.	John	Adams		John	zzja@mybank.com.zz	Branch Manager	C-Level		MyBank.com	
edit	Mr.	Jason	Anderson		Jason	zzjj@mybank.com.zz	Vice President	Employee		MyBank.com	
edit	Ms.	Marquita	Gonzalez		Marquita	783821@commbanku.com	Cashier	Employee	assistant cashier cashier	MyBank.com	
edit	Ms.	Anna	Lincoln		Anna	783816@commbanku.com	Teller	Employee		MyBank.com	
edit	Mr.	John	Smith		John	zzjs@mybank.com.zz	President	C-Level		MyBank.com	
edit	Ms.	Cheryl	Tennas		Cheryl	783817@commbanku.com	Customer Service Repres	Employee		MyBank.com	
edit	Ms.	Lakelyn	Tennix		Lakelyn	zzjt@mybank.com.zz	Teller	Employee		MyBank.com	

7. Once you find the employee you will take one of two options depending on what you want to edit.
 - a. Click the Edit button on the left if you want to edit the individuals:
 - i. Name
 - ii. E-mail address
 - iii. Organization/Location
 - iv. Title
 - v. ICBA Relationship
 - vi. Job Function
 - b. Click the Manage all contact info button found by scrolling all the way to the right, if you want to edit the individuals contact information such as:
 - i. Phone
 - ii. Fax
 - iii. Additional Individual Address
 - iv. Additional e-mail addresses
8. Edit all applicable fields.
9. Once all changes are complete, click the Save or Close button.

Adding an LMS Administrator

If the bank needs to add or remove the job function "LMS Administrator" from an employee's profile, you will need to contact an ICBA Education Team Member. Simply email education@icba.org or call 800-422-7285. If removing the LMS Admin job function, please be sure to tell the ICBA Education Team Member if their "C-level" status should also be changed to "Employee" as they should no longer be maintaining the banks' Roster.

Password Resets

There are 3 ways in which an employee's password may be reset if they have forgotten it.

Employee Resets Their Own Password

An employee may reset their own password to the system if they have a legitimate e-mail address. Have the employee follow these instructions:

1. Go to www.icba.org.
2. Click on Member Login in the upper right.
3. Click on the Forgot your password? link.
4. Enter your e-mail address and click Submit.
5. An e-mail will be sent with instructions to reset the password. *Note: The link is valid for 24 hours from the time of receipt and can only be clicked on once.*

The e-mail will come from info@icba.org. Please check your spam or quarantine to find the e-mail. Also, ask your IT department to whitelist the information below in order to receive e-mails. **Whitelisting ICBA's email domain does not affect your bank's email security or deactivate your spam filter.**

- IP addresses (205.201.42.27 and 205.201.40.208),
- domain icba.org, and
- main email address info@icba.org

LMS Administrator Resets Employees Password

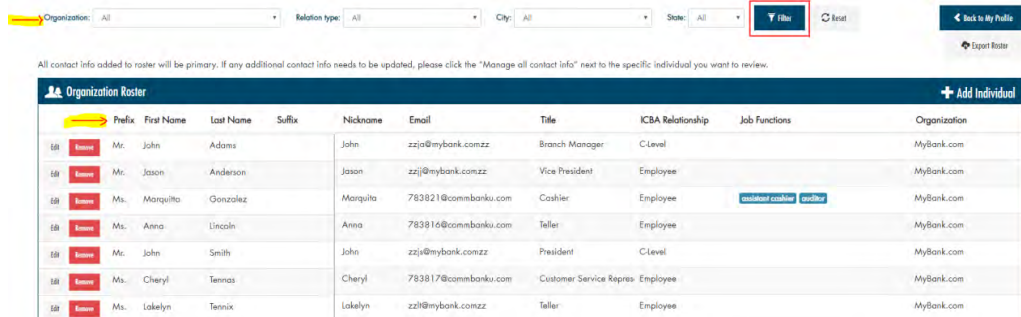

An LMS Administrator can reset an **employee's** password within the ICBA website. Follow these instructions:

1. Go to www.icba.org.
2. Click on Member Login in the upper right.
3. Enter your e-mail and password for your ICBA account.
4. Click on My Account in the upper right corner.
5. Scroll down to the Organizations You Manage box. You may click on Manage Roster next to the specific branch that the employee is located at or if you are not sure which location, you can click on Manage All Rosters. Manage All Rosters is the preferred method as it provides one complete list of all employees regardless of bank location.

6. From this screen you can filter and sort the report in several ways to find the employee you want to reset or simply click through each page until you find the individual (listed in last name alphabetical order). You can choose from any of the dropdowns at the

top of the screen and click the Filter button or you can click on any of the column headers within the Organization Roster to sort.

All contact info added to roster will be primary. If any additional contact info needs to be updated, please click the "Manage all contact info" next to the specific individual you want to review.

	Prefix	First Name	Last Name	Suffix	Nickname	Email	Title	ICBA Relationship	Job Functions	Organization
edit	Mr.	John	Adams		John	zzja@mybank.comzz	Branch Manager	C-Level		MyBank.com
edit	Mr.	Jason	Anderson		Jason	zzj@mybank.comzz	Vice President	Employee		MyBank.com
edit	Ms.	Marquita	Gonzalez		Marquita	783821@commbanku.com	Cashier	Employee	customer cashier auditor	MyBank.com
edit	Ms.	Aenna	Lincoln		Aenna	783816@commbanku.com	Teller	Employee		MyBank.com
edit	Mr.	John	Smith		John	zzj@mybank.comzz	President	C-Level		MyBank.com
edit	Ms.	Cheryl	Tennas		Cheryl	783817@commbanku.com	Customer Service Repres	Employee		MyBank.com
edit	Ms.	Lakelyn	Tennix		Lakelyn	zzl@mybank.comzz	Teller	Employee		MyBank.com

7. Once you find the employee, click the Edit button on the left side of the screen next to the individual.
8. Tab or scroll and click to the "New Password" field.
9. Enter in a new password and enter it again in the "Confirm Password" field.
10. Click the Save button on the left side.
11. The employee will receive an e-mail from info@icba.org stating that their password has been changed.

The employee will not be prompted to change their password upon login once you have reset it. We recommend you have them change their password to something only they know once they've logged in. Provide the employee with the following instructions:

- Go to www.icba.org.
- Click on Member Login in the upper right corner.
- Enter your e-mail and the password provided to you and click the Login button.
- Click on My Account in the upper right corner.
- Click on Change My Password found at the bottom of the list in the "My Account Links" box on the right side of the screen.
- Enter your new password twice and click the Save button.
- You will receive an e-mail from info@icba.org stating that your password has been changed (if you have a legitimate e-mail address).

Employees who do not have a legitimate e-mail address, may change their e-mail address this same way. They just cannot reset their password on their own if they have forgotten it.

ICBA Education Team Member Resets Password

You can contact an ICBA Education team member at education@icba.org or call 1-800-422-7285 to have the password reset.

If an ICBA Education team member resets a user's password, they will receive an e-mail that their password has been reset (if a legitimate e-mail is on file).

Managing Your Organization

The following instructions are to be followed if you have a C-Level relationship type and need to add a NEW branch to your organization or edit the head office or branch locations information.

NOTE: Relocating a head office and/or adding a new organization in a merger situation can be tricky. If you have any questions regarding creating a new Organization or adding a Relationship, please contact info@icba.org or 1-800-422-7285 for assistance.

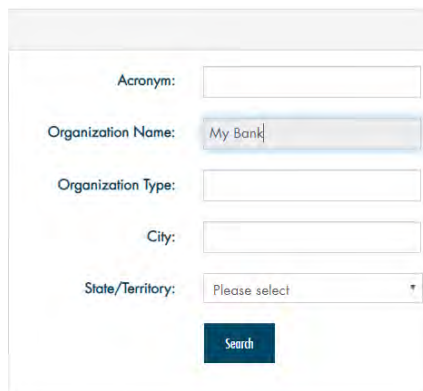

Always reach out to ICBA for new locations that are part of a merger or acquisition.

Adding a new Branch

1. Go to www.icba.org.
2. Click on Member Login in the upper right.
3. Click on My Account in the upper right corner.
4. Scroll down to the Organizations You Manage box and click on the Add Org Relation button found next to the Bank Head Office.

5. Enter in, at a minimum, the Organization Name, on the Search screen for the system to search to find potential duplicate organizations. The more information you enter the smaller the search results, less is more.

Acronym:	<input type="text"/>
Organization Name:	<input type="text" value="My Bank"/>
Organization Type:	<input type="text"/>
City:	<input type="text"/>
State/Territory:	<input type="text" value="Please select"/>
<input type="button" value="Search"/>	

- a. If no organizations are found, click "Add an Organization"

Organization Directory Search Result

[back to search](#)

No organizations matched your search criteria. Please try again, or [Add an Organization](#)

- b. If a similar organization is found and it is a location that you want to hook to your bank, click the “+Add a Relationship” button.

Organization Directory Search Result

[back to search](#)

Organizations matching your search criteria are listed below. If the organization you are searching for is not below, please try again, or [Add an Organization](#)

mybank.com - melrose
888 Kraft Avenue
melrose, MN 56352
UNITED STATES
[+ Add a Relationship](#)

6. Complete all fields with information on the new branch on the “Add Organization Relation” screen and click the Continue button.
7. The new Branch will now appear in the list of Organizations You Manage. You may add employees to this branch as necessary.

NOTE: Adding a new organization in a merger situation can be tricky due to the timing of the merger and the changing of the organization name. If you have any questions regarding creating a new Organization or adding a Relationship, please contact a ICBA Education team member for assistance.

Editing an Organization

1. Go to www.icba.org.
2. Click on Member Login in the upper right.
3. Click on My Account in the upper right corner.
4. Scroll down to the Organizations You Manage and click the Edit Org button next to the specific branch or head office.
5. Click the Edit Organization button in the “Details” box.

Details Your role: C-Level

Name: **MyBank.com**
Type: **Bank Branch**

Main Street
Freeport, MN 56302

[Edit Organization](#) [View Transactions](#)

6. Edit the necessary fields and click the Save button at the bottom.
7. To get back to your “Organization You Manage” or “My Profile” screen, click the My Account link in the blue line under the ICBA website directories.

Note: To Remove a branch please contact ICBA at info@icba.org or 1-800-422-7285.

The instructions in the remainder of this Guide require the user to have LMS Administrator rights. If you do not see the Administration Tab once you are logged into the Online Training Center, you do not have Admin rights. Please contact a ICBA Education Team member if you do not see this tab and should.

COURSE ENROLLMENTS

There are four ways to enroll employees into courses:

1. Enrollment for Single Employee
2. Assign All Employees to a Course
3. Assign Specific Employees to One Course
4. Assign Specific Employees to Specific Courses(most common)

Single Employee

To manage enrollments for a single employee, follow these instructions:

1. Click on the Administration tab

2. Select the employee's name from the Select Employee dropdown menu under the Administer Members section of this page.

3. "Click Here" next to Enroll Employee in a Course(s).

Enroll Employee in a Course(s):	Click Here
Delete Enrollments for Not Completed Courses:	Click Here
Member Report Card:	Click Here
Test Attempt Details:	Click Here
Log or Edit Additional Training:	Click Here
Done Return Refresh	

4. Double click the desired course OR click and highlight the desired course and click the single arrow to move the course from the available courses window on the left to the enrollment list window on the right. Do this for each course you would like to enroll the employee in.
5. When you are finished adding the course(s), Check the box for "By checking this box, you are confirming you have reviewed the above enrollments and are ready to proceed."
6. Then click the Add Enrollment button.

Add Enrollment for: Braegelmann, Lori

Compliance Officer & Staff

Required Regulatory Course Bundle - Deposit Staff

Required Regulatory Course Bundle - Finance Staff

Required Regulatory Course Bundle - Human Resource Staff

Required Regulatory Course Bundle - Lenders & Lending Staff

Required Regulatory Course Bundle - Marketing Staff

Required Regulatory Course Bundle -

Required Regulatory Course Bundle - IT Security Staff

By checking this box, you are confirming you have reviewed the above enrollments and are ready to proceed.

Add Enrollment

7. When the enrollment is successful you will see the message outlined below. Click the Administration tab to return to the main screen.

Add Enrollment for: Braegelmann, Lori

Compliance Officer & Staff
Required Regulatory Course Bundle - Deposit Staff
Required Regulatory Course Bundle - Finance Staff
Required Regulatory Course Bundle - Human Resource Staff
Required Regulatory Course Bundle - Lenders & Lending Staff
Required Regulatory Course Bundle - Marketing Staff
Required Regulatory Course Bundle -

Required Regulatory Course Bundle - IT Security Staff

By checking this box, you are confirming you have reviewed the above enrollments and are ready to proceed.

Add Enrollment

Enrollments have been added. Close form to continue.

Assign ALL Employees to a Course

To enroll ALL employees in a specific course(s), follow these instructions:

1. Click on the Administration tab
2. "Click Here" next to Assign ALL Employees to a Course under the Assign Employees in Courses section.
3. Double click the desired course OR click and highlight the desired course and click the single arrow to move the course from the available courses window on the left to the enrollment list window on the right. Do this for each course you would like to enroll ALL employees in.
4. When you are finished adding the course(s), check the box for "By checking this box, you are confirming you have reviewed the above enrollments and are ready to proceed.
5. Click the Add Enrollment button. Proceed with caution on using this option as it enrolls everyone from your organization in the course(s) selected.
6. Click the Administration tab to return to the main screen.

Add Enrollment to All Company Employees

The screenshot displays a software interface for adding enrollments. On the left, a list of courses is shown, with 'Acting Effectively on a Team' selected. On the right, the selected course name is displayed. Below the course lists, there is a checkbox with the text: 'By checking this box, you are confirming you have reviewed the above enrollments and are ready to proceed.' Below the checkbox is a button labeled 'Add Enrollment'.

Assign Specific Employees to One Course

If you want to enroll multiple employees in a single course, follow these instructions:

1. Click on the Administration tab
2. **“Click Here”** next to Assign Specific Employees to One Course under the Assign Employees in Courses section.
3. Select the course title using the Select Course drop down.
4. Double click the desired employees OR click and highlight the desired employees and click the single arrow to move the employee from the available **employee's** window on the left to the enrollment list window on the right. Do this for each employee you would like to enroll in the specific course.
5. When you are finished adding the employees, **check the box for “By Checking this box, you are confirming you have reviewed the above enrollments and are ready to proceed.”**
6. Click the Enroll in Course button.
7. Click the Administration tab to return to the main screen.

Enroll in Course

Delete Enrollment

If you wish to delete an enrollment(s) for an individual for a course(s) they have not yet completed, follow these instructions:

1. Click on the Administration tab
2. **Select the employee's name from the Select Employee dropdown menu** under the Administer Members section.

Administer Members:

Search for Employee: [Click Here](#)

Select Employee: [v](#) [↻](#)

[Next](#)

3. "Click Here" next to Delete Enrollments for Not Completed Courses.

Member Name: Braegelmann, Lori

Enroll Employee in a Course(s): [Click Here](#)

Delete Enrollments for Not Completed Courses: [Click Here](#)

Member Report Card: [Click Here](#)

Test Attempt Details: [Click Here](#)

Log or Edit Additional Training: [Click Here](#)

[Done](#) [Return](#) [Refresh](#)

4. On the next screen, you will see a list of the courses the employee is currently enrolled in. To delete a course, double click the desired course or click and highlight and click the single arrow to move the course from the enrolled courses window on the left to the window on the right. Do this for all of the course enrollments you would like to delete.
5. When you are finished, click the Delete Enrollment button.
6. **When the course deletion is successful you will see the message "Enrollments deleted. Close form to Continue."**
7. Click the Administration tab to return to the main screen.

REPORTING for Standard Plan/Bundle/Bank-Wide Certificate subscribers

****Passing Result for all Courses is 80%****

There are three ways to access reports based on **employee's** activity or course activity.

1. Single Employee Report
2. All courses for all employees (excluding Bank Director Training Courses (BDOT))
3. All employees for specific courses (excluding Bank Director Training Courses (BDOT))

Single Employee Report

To access the "report card" (completed and not completed courses) for an individual employee follow these instructions:

1. Click on the Administration tab
2. Select the employee's name from the Select Employee dropdown menu under the Administer Members section.

Administer Members:

Search for Employee: [Click Here](#)

Select Employee: [Click Here](#)

[Next](#)

3. "Click Here" next to the Member Report Card.

Member Name: Braegelmann, Lori

Enroll Employee in a Course(s): [Click Here](#)

Delete Enrollments for Not Completed Courses: [Click Here](#)

Member Report Card: [Click Here](#)

Test Attempt Details: [Click Here](#)

Log or Edit Additional Training: [Click Here](#)

[Done](#) [Return](#) [Refresh](#)

4. Enter the Enrollment Start Date and End Date (YYYY-MM-DD) of the dates in which the employee was enrolled in their courses that you want a report from. REMEMBER, these dates are the dates the administrator or employee enrolled in the courses, not necessarily the dates in which the employee was to take and complete the courses.

Note: You may leave the dates blank to produce an entire history report.

5. There is a maximum number of line items (200) that appear directly on the screen. To see the full report, you must export to Excel. Click on the Excel icon at the top. You can also print the report from Excel.

 **Individual Learner Report - All Enrollments**

6. Click the Administration tab to return to the main screen.

All Employees & All Courses Report

To access a complete history report for all employees and all courses follow these instructions:

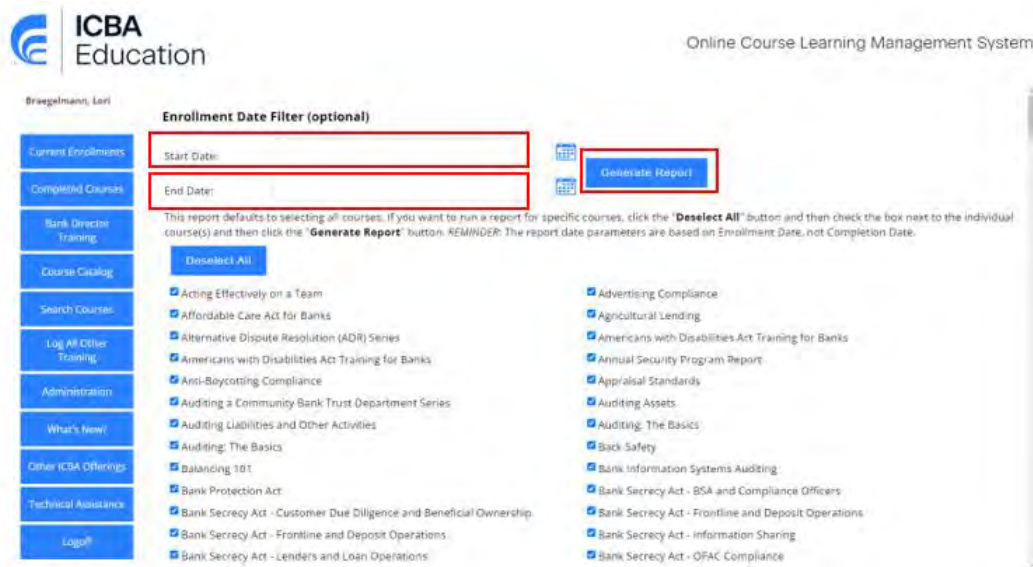

1. Click on the Administration tab.
2. “Click Here” next to Activity Report for Courses (excluding BDOT) under the Reports section.

Reports:

Activity Report for Courses (excluding BDOT):	Click Here
Detailed Score Report for Required Regulatory Course Bundle Content:	Click Here
Detailed Score History for All Courses :	Click Here
Reporting Dashboard:	Click Here

3. This report defaults to have ALL courses selected. Enter the Enrollment Start Date and End Date (YYYY-MM-DD) of the dates in which the employee was enrolled in their courses that you want a report returned. *REMEMBER*, these dates are the dates the administrator or employee enrolled in the courses, not necessarily the dates in which the employee was to take and complete the courses. Click the “Generate Report” button.

Note: You may leave the dates blank to produce an entire history report.

- You may export the report to PDF or Excel. Click the floppy disc icon at the top of the report results, then select Adobe Acrobat or Excel 2007 for the version you wish to export. The report will save to your downloads folder.

- Click the Administration tab to return to the main screen.
- The "Course % Complete" column in the report results will display a value of 0% or 100% for all individual course titles that are included in subscriptions to the Standard or Custom Plan and all Bundles. It will not show what percentage they are through the individual course. For certificate programs, the value will show the actual percentage the learner has completed for the entire program.

A	B	C	D	E	F	G	H	I
Completion Date	Enrollment Date	Name	Email	Course	CPE	Status	Grade	Course % Complete
	1/24/2022 14:07	Snyder, Mandy	mandy.snyder@icba.org	Principles of Banking Certificate Program	7	Not Completed	0	15.38
2022-04-25 13:56:33	4/19/2022 16:54	Snyder, Mandy	mandy.snyder@icba.org	Principles of Banking Overview	1.25	Completed Satisfactorily	100	100

All Employees & Specific Courses Reports

To access a report for all employees that completed one specific course, follow these instructions:

- Click on the Administration tab

2. "Click Here" next to Activity Report for Courses (excluding BDOT): under the Reports section.

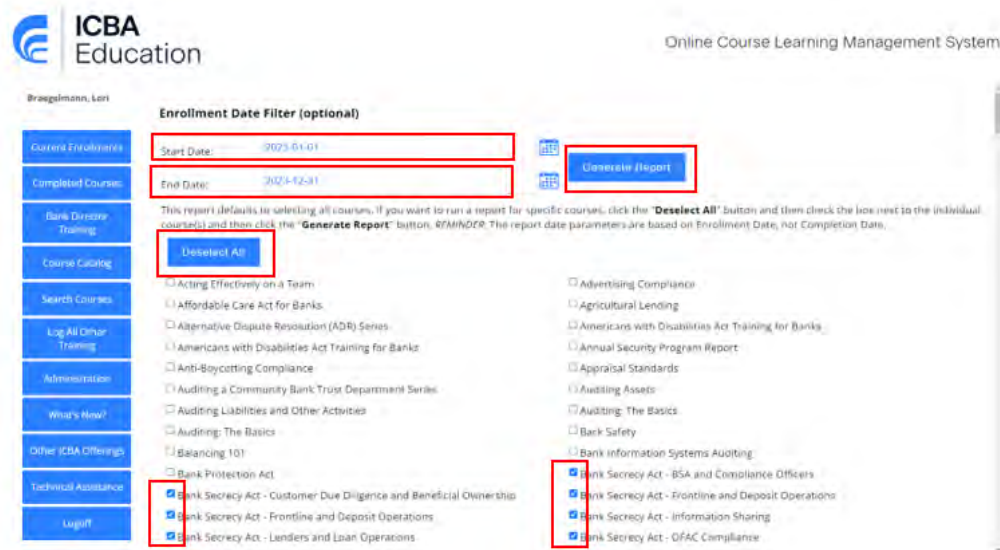

Note: The next screen could take a moment to load. Please be patient. It will not look like anything is happening, but it is loading.

3. Enter the Enrollment Start Date and End Date (YYYY-MM-DD) of the dates in which the employee was enrolled in their courses that you want a report from. REMEMBER, these dates are the dates the administrator or employee enrolled in the courses, not necessarily the dates in which the employee was to take and complete the courses.

Note: You may leave the dates blank to produce an entire history report.

4. By Default, the report has all courses selected. To run the report for just specific courses click the "DeSelect All" button. Then check the box(es) by just the courses you wish to be in the report results. When finished checking the courses, click the "Generate Report" button.

5. You may print the report as is or export the report to a PDF or Excel file by clicking on the floppy disc icon at the top of the report results. Select Adobe Acrobat or Excel to save the file.

6. Click the Administration tab to return to the main screen.

Test Attempt Details – For One Employee

To know how many times it took a learner to pass the test on a particular course and the score they received on each attempt, follow these instructions:

1. Click on the Administration tab
2. Select the employee's name from the Select Employee dropdown menu under the Administer Members section.

Administer Members:

Search for Employee: [Click Here](#)

Select Employee: [Click Here](#)

Next

3. "Click Here" next to the Test Attempt Details

Member Name: Braegelmann, Lori

Enroll Employee in a Course(s): [Click Here](#)

Delete Enrollments for Not Completed Courses: [Click Here](#)

Member Report Card: [Click Here](#)

Test Attempt Details: [Click Here](#)

Log or Edit Additional Training: [Click Here](#)

Done Return Refresh

This report will show every test that was attempted for each course that has been completed. The report can be exported to Excel and then sorted or filtered based on the information needed.

Test Attempt Details – For All Employees

To know how many times it took all learners to pass their tests on all courses and the score they received on each attempt, follow these instructions:

1. Click on the Administration tab
2. "Click Here" next to the Detailed Score History for All Courses

Reports:

Activity Report for Courses (excluding BDOT):	Click Here
Detailed Score Report for Required Regulatory Course Bundle Content:	Click Here
Detailed Score History for All Courses :	Click Here
Reporting Dashboard:	Click Here

This report will show every test that was attempted for each course that has been completed for All Employees. The report can be exported to Excel and then sorted or filtered based on the information needed. Click the Excel Icon above the report results.

Special Course Reports

There are reports that can be used for specific courses within the Catalog:

- “Click Here” next to the “Detailed Score Report for Required Regulatory Course Bundle Content”.

Reports:

Activity Report for Courses (excluding BDOT):	Click Here
Detailed Score Report for Required Regulatory Course Bundle Content:	Click Here
Detailed Score History for All Courses :	Click Here
Reporting Dashboard:	Click Here

- This will bring you to a screen with 12 different job functions reports – run the report for the bundle(s) you have assigned to staff.

Audit Staff:	
Bank Security Staff:	
BSA Officer & Staff:	
Compliance Officer & Staff:	
Deposit Staff:	
Finance Staff:	
Human Resource Staff:	
IT Security Staff:	
Lenders & Lending Staff:	
Marketing Staff:	
Operations Staff:	
SVP & Board of Directors:	
Return	

These reports will show you the detailed scores and completion of each of the modules found within the main course. This is found on the Administration button in the Reporting section of the screen. You must then click the report for which Required Regulatory Bundle you have assigned to employees.

CUSTOM PLAN subscribers

The following pages are instructions for additional functions and reporting for Custom Plan subscribers only.

[Policy and Procedure Integration](#)

Custom Plan subscribers have the ability to upload their bank's policies and procedures into a selection of ICBA online courses.

For a detailed listing of the courses available, please visit our website <https://www.icba.org/education/online-training-center/bank-wide-online-training-full-library> and click on the link "View Available Courses to Insert Policies/Procedures" in the Custom Plan description.

1. Click on the Administration tab
2. "Click Here" next to the Upload and Manage Policies

- Administrator Guide: [Click Here](#)
- Mandatory and Recommended Course Listings : [Click Here](#)
- Full Course Catalog: [Click Here](#)
- Link to Monthly Newsletter: [Click Here](#)
- Upload and Manage Policies:** [Click Here](#)
- Export Additional Training Log for All Employees: [Click Here](#)

Each of the available courses is listed within the table. If your bank does not have a policy for a specific course title you do not have to upload a policy. When the employee clicks the link within the course they will be presented with a generic message. If you do have a policy that you want to include, click on the cloud icon , browse to and upload the policy. Once a policy has been added to the system you can use the preview icon  to view it, or the delete icon  to remove it.

The screenshot shows the 'Client Documents' interface for ICBA. It includes a sidebar with navigation options like 'Current Enrollments', 'Completed Courses', and 'Bank Director Training'. The main area shows a table of documents with columns for Name, Lang, ID, and Control. An 'UPLOAD' button is visible above the table.

Name	Lang	ID	Control
Balancing 101	EN	Balancing101.pdf	
Bank Secrecy Act - All Courses Except CDD/BO & Frontline	EN	BSA.pdf	
Bank Secrecy Act CDD & BO - Beneficial Ownership Procedures	EN	Beneficial_Ownership_Procedures.pdf	
Bank Secrecy Act CDD & BO - CIP Procedures	EN	CIP_Procedures.pdf	
Bank Secrecy Act CDD & BO - Customer Due Diligence Policy	EN	Customer_Due_Diligence_PolicyProcedures.pdf	
Bank Security - All Courses	EN	security.pdf	

Note:

- Some "Names"/course titles may be listed twice with different "ID" names. This means that there is more than one place within the course that a policy or procedure may be uploaded. The "ID" title may help you determine which policy/procedure you want to upload; however, we suggest you enroll yourself in the course to review the content to be certain.
- If you see a "Name"/course title that says: "All Courses" this means that the policy/procedure you upload will be included in a number of related courses. If you bank has more than one policy/procedure that it would like to include in the course, you must combine the documents into one PDF.

Log All Other Training

Custom Plan subscribers have the ability to track other training that employees receive that is outside of the ICBA Online Course Catalog. Entries can include other ICBA Education in-person and live-streamed events and webinars, third party training, and in-house bank training. The system allows for logging training in two ways:

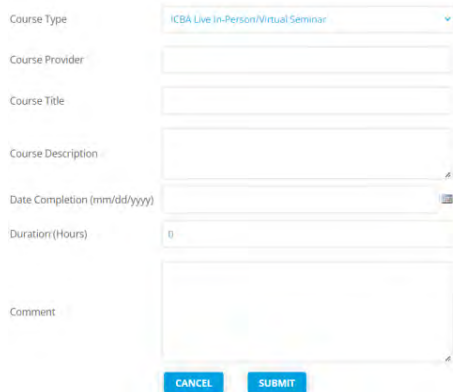

1. Employees to log their training records into the system on their own; or
2. The LMS Admin can enter the training on an employee's behalf

#1. Employee Logging

1. Click on the "Log All Other Training" tab on the left
2. Click on the "Add Course" button

3. Complete each of the fields on the screen and click "Submit"
 - a. All fields are free form except the Course Type. The appropriate course type must be chosen.

Course Type:

Course Provider:

Course Title:

Course Description:

Date Completion (mm/dd/yyyy):

Duration (Hours):

Comment:

Employees can view/print their training records entered by clicking on the "Export" button. The entire log will download to Excel and can then be filtered.

#2. LMS Administrators Logging on Behalf of an Employee

1. Click on the "Administration" tab

2. Select the Employee from the dropdown in the Administer Members Section

Administer Members:

Search for Employee: [Click Here](#)

Select Employee: [Click Here](#)

Next

3. Click/tap the Click Here button next to Log or Edit Additional Training

Enroll Employee in a Course(s): [Click Here](#)

Delete Enrollments for Not Completed Courses: [Click Here](#)

Member Report Card: [Click Here](#)

Test Attempt Details: [Click Here](#)

Log or Edit Additional Training: [Click Here](#)

[Done](#) [Return](#) [Refresh](#)

4. Click/tap the "Add Course" button
5. Complete each of the fields on the screen and click "Submit"
 - a. All fields are free form except the Course Type. The appropriate course type must be chosen from the list.

Course Type:

Course Provider:

Course Title:

Course Description:

Date Completion (mm/dd/yyyy):

Duration (Hours):

Comment:

[CANCEL](#) [SUBMIT](#)

LMS Admins can view/print the individual employees records entered by clicking on the "Export" button. The entire log will download to Excel and can then be filtered. This report will only include the "other training". It does not include the online courses that are taken inside the LMS. LMS Admins can also export a report of all employees "other training" logs. Instructions on how to do this can be found in the next section (Reports).

Reports

There are three different reporting functions for Custom Plan subscribers. All are found within the Administration Tab.

1. Enrollment and Completion Reports for Online Courses
2. Training Records for All Other Training Outside of ICBA Online Courses
3. A Reporting Dashboard

#1. Enrollment and Completion Reports for **Online Courses**

These reporting functions and procedures are the same as the previous section Reporting for Standard Plan/Bundles/Bank-Wide Certificate subscribers.

#2. **All Other Training** Records

If an employee or an LMS Admin logs training outside of the ICBA Online Courses, the training records can be exported into a report.

1. Click/tap “Click Here” next to the Export Additional Training Log for All Employees

2. Enter in the date range desired for the training Completion Date and click “Filter”.

A screenshot of a 'Completion Date Filter' form. It has two input fields for 'Start Date' and 'End Date', each with a calendar icon to its right. Below the fields is a blue button labeled 'FILTER'.

3. A report will be generated in Excel. The report can then be filtered based on your needs.

Note: If you utilize the online courses in the LMS and the “log all other training”, you will have two separate reports that you need to pull to get all of the training records for your records and examiners. You can copy records from the Additional Training report and paste into the Online Courses report to have one complete list.

#3. Reporting Dashboard

The Reporting Dashboard shows all employee activity with the ability to filter on student or course as well as export to CSV or PDF

Reports:

Activity Report for Courses (excluding BDOT): [Click Here](#)

Detailed **Score** Report for Required Regulatory Course Bundle Content: [Click Here](#)

Detailed Score History for **All Courses**: [Click Here](#)

Reporting Dashboard: [Click Here](#)

When you click on the Reporting Dashboard, this is the screen that appears:

Student	Course	Date	Result	Score
1. Demo User (demo)	CBU Mandatory Courses - Compliance Officer & Staff		Not Completed	0
1. Demo User (demo)	CBU Mandatory Courses - IT Security Staff		Not Completed	0
1. Demo User (demo)	Bank Secrecy Act - Lenders and Loan Operations		Not Completed	0
1. Demo User (demo)	Bank Secrecy Act - OFAC Compliance		Not Completed	0
1. Demo User (demo)	Strategic Management Certificate		Not Completed	0
1. Demo User (demo)	Telepro Online		Not Completed	0
1. Demo User (demo)	Systematic Selling - The Complete Program		Not Completed	0
1. Demo User (demo)	Office Safety		Not Completed	0
1. Demo User (demo)	Introduction to Financial Statements		Not Completed	0
1. Demo User (demo)	Train-the-Trainer		Not Completed	0

1. The Progress Tab displays all employees and all enrolled courses for your bank.
2. The Certification Tab is for those banks that are part of the Bank Director Program. The Bank Director Training enrollments are found in this tab
3. The Student filter allows you to enter in an employee name and filter the listing in various ways:
 - NOFILTER
 - CONTAINS
 - STARTSWITH
 - ENDSWITH
4. The Course filter allows you to enter in a course name or part of a course name and filter the listing in the same ways as the student filter. This feature is great when you need to generate a report for all courses that are related to a specific subject, such as Bank Secrecy Act, Regulation Z, Robbery, etc.
5. The report can be downloaded in PDF or CSV format by clicking the appropriate icon in the upper right.

Note: This Dashboard is only for Online Courses. It does not contain "All Other Training" records.
