The first step in the application process is completing the **General Application** – these are the basic, bio/demographic questions that we collect from every scholarship applicant to The American College.

Upon Submission of the General Application, you’ll be taken to a screen of “Recommended Opportunities” – you’ll click “Apply” next to The American College and the Independent Community Bankers of America Veterans Scholarship Initiative:

The screenshot shows a web application interface. At the top, there is a navigation bar with tabs for 'My Applications', 'Opportunities', 'Donors', and 'References'. A user profile dropdown shows 'sheila.runkel@theamericancollege.edu'. Below the navigation bar, a yellow warning message states: 'You won't be able to apply or be automatically matched to any opportunities until you [complete your general application](#).' The main content area is split into two columns. The left column, titled 'Application Progress', shows a radio button next to 'General Application'. The right column, titled 'Recommended Opportunities', includes a 'Show Filters' button, a note about automatic application to multiple opportunities, a search bar, and a table of opportunities.
