The Honorable Jeb Hensarling
Chairman
Committee on Financial Services
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Hensarling:

Congratulations on your reelection as Chairman of the House Financial Services Committee in the 115th Congress. Your colleagues have chosen wisely in entrusting you with a third term at the helm of a committee that is critical to our national economic prosperity. Your leadership will be especially important at this pivotal time.

I think you'll agree with me that the 115th Congress presents a unique opportunity to enact bold and far reaching changes to the financial regulatory landscape, including significant regulatory relief for nearly 6,000 community banks. This relief is critical to the economic vitality of thousands of rural, small town, urban, and suburban communities across the nation. We're optimistic about the prospects for change!

I and my staff look forward to working with you in the new Congress in pursuit of this critical, shared goal.

Sincerely,

Camden R. Fine
